## TIMEKEEPING GUIDELINES

All hourly student workers who work an eight-hour shift are allowed two 15-minute rest periods per shift, one within each four-hour period of work. These breaks may not be combined or added to any employee's meal period, or be used to cover late arrivals or early departures. Rest periods are provided on College-paid time. Unpaid meal periods from 30 to 60 minutes are provided for each non-exempt employee who works over five hours in one shift. The meal period must not be taken more than five hours after the beginning of the employee's shift. Non-exempt employees are required to record the beginning and end of their meal periods on their time sheets or Kronos record.

Consequently, employees must record the time they begin and end work each day, the beginning and end of each meal period, and the beginning and end of any split shift or call back assignment.
